

THE MUSKY NEWS

Newsletter of the Winnebago and Musky Club June 2021

May 5th Meeting Recap

12 members were present at the regular meeting May 5th at the American Legion Post in Fond du Lac. Neil Seibel reported that the Winnebago Sportsmen's Alliance completed two remodel projects of launches at Cemetery Rd and Kinker Rd landings. Our Winnebago and Musky Club is a member of this Sportsmen's Club Alliance.

Gerald Loop reported from the Musky Alliance that the August National Championship Musky Open Tournament is on for August 20 - 22nd. Our Club is a member of the Alliance and we encourage everyone to attend. If you haven't already received a registration packet, visit

www.eagleriver.org/featured/musky-open/ and see the rules, registration requirements and forms to enter this great national tourney. Gerald reported that the Alliance is working on reinstating the boat raffle for 2022. Hopefully they will be successful as this has been our Club's main fund raising facility. Gerald proudly reported that our Club was the #1 Club in the Alliance in selling boat raffle tickets for last year's raffle. Gerald also has requested that our Club provide 6 musky lures for prizes directed towards the junior tournament fishermen this year.

On a side note: The Alliance is seeking a website manager to manage the Alliance Website.

At the May meeting we built Spring bucktails. Scott and Richard Feustel coached us through the project. Richard tried his...no luck so far.

THE MUSKY NEWS

Newsletter of the Winnebago and Musky Club June 2021

June 2nd Meeting Info

We will be discussing and voting on the Great Lakes Spotted Musky Grant Project that will benefit the Winnebago and Green Bay systems. We learned about this project at our February 2021 meeting in a Zoom presentation by WDNR Senior Fisheries Biologist Adam Nickel.

FIRST OUTING of 2021

We held our first outing of the year on Little Green Lake and Fox Lake on Saturday May 22nd.

12 fishermen reported in at the outing and lunch at Lakeview Inn on Little Green. Bob Kuhr successfully boated and released a 37 1/2" fish using a bucktail on Little Green. Congratulations Bob!

The next outing will be Saturday June 12th on the Winnebago System with our lunch gathering at the "Fin N Feather" in Winneconne. Hopefully many of you can make it. Please register if you intend to be there by calling or texting Scott Klapperich at 920-948-2283 on or before June 10th. We need this RSVP to help the restaurant plan for us.

... the quest for the coveted cup in 2021 continues...
